Acting Chief, Planning and Review Staff

1956

Chief, Analysis Division

Projects 10.825 and 10.826.

1. Project 10.825, Intersectoral Analysis of the Soviet Economy, has been completed. No report, however, will be issued and the results of the research will be merged with other projects in the Division, specifically Projects 13.836, 14.441, 14.1547, and 14.1548.

2. Project 10.826, Cost Structure of Selected Industries in the USSR, has been completed. It is anticipated that the report will be published by another agency and negotiations are now under way to publish the report.
